

## Zoom Video Tutorials Handout

Zoom is a program used to hold online virtual meetings. Zoom is accessible on any device as long as you have speakers, a microphone, and a camera (optional).

Zoom can support your health management by allowing you to access virtual health webinars, virtual doctor's visits and virtual peer support groups.

The following link will take you to the Zoom YouTube Playlist, where you can watch videos on Zoom and its features: [How to Zoom:](#)

([https://www.youtube.com/playlist?list=PLKpRxBfeD1kEM\\_I1Ild3N\\_XI77fKDzSXe](https://www.youtube.com/playlist?list=PLKpRxBfeD1kEM_I1Ild3N_XI77fKDzSXe))

All videos in this playlist have closed captions available in various languages, including English, Traditional and Simplified Chinese, and Punjabi. For information on turning on closed captions in your desired language, please refer to our Appendix at the end of this handout.
